In Bligh's Hand

Fourteen-year-old pickpocket John Jacob Turnstile has just been caught red-handed and is on
his way to prison when an offer is put to him---a ship has been refitted over the last few months and is about to set sail with an important mission. The boy who was expected to serve as the captain's personal valet has been injured and a replacement must be found immediately. Given the choice of prison or a life at sea, John soon finds himself on board, meeting the captain, just as the ship sets sail. The ship is the Bounty, the captain is William Bligh, and their destination is Tahiti. Their journey, however, will become one of the most infamous in naval history. Mutiny is the first novel to explore all the events relating to the Bounty's voyage, from the long passage across the ocean to their adventures on the island of Tahiti and the subsequent forty-eight-day expedition toward Timor. This vivid retelling of the notorious mutiny is packed with humor, violence, and historical detail, while presenting an intriguingly different portrait of Captain Bligh and Mr. Christian than has ever been presented before. Internationally bestselling author John Boyne has been praised as "one of the best and original of the new generation of Irish writers" by the Irish Examiner. Now, with Mutiny, he has created an eye-opening story of life---and death---at sea.

Mutiny

Mr Bligh's Bad Language

From the number one bestselling author comes a swashbuckling tale of mutiny and murder in paradise . . .
Winston Churchill, Britain’s great statesman, and Clementine, his beautiful, stalwart wife, went together through many crises to command center stage in their country’s finest hour during World War II. This double biography tells the story of this celebrated couple whose marriage endured, without scandal, for 57 years, until Churchill’s death in 1965. Their intense relationship would make tabloid headlines, but the public didn’t see the conflicts and clashes of two strong-willed, stubborn individuals whose love for each other withstood the tests of war and family tragedy — and whose fierce differences were essential to their triumph. “A grand profile in charisma.” — Chris Goodrich, Los Angeles Times “A grand historical romance.” — Booklist “A splendidly told tale Hough is a charming writer and his admiration for his subject so genuine that readers will find his work irresistible.” — Publishers Weekly

The Court-martial of the "Bounty" Mutineers

Mutiny and Romance in the South Seas

The Refuge of the Mutineers. The Mutiny. On a profoundly calm and most beautiful evening towards the end of the last century, a ship lay becalmed on the fair bosom of the Pacific Ocean. Although there was nothing piratical in the aspect of the ship-if we except her guns—a few of the men who formed her crew might have been easily mistaken for roving buccaneers. There was a certain swagger in the gait of some, and a sulky defiance on the brow of others, which told...
powerfully of discontent from some cause or other, and suggested the idea that the peaceful aspect of the sleeping sea was by no means reflected in the breasts of the men. They were all British seamen, but displayed at that time none of the well-known hearty off-hand rollicking characteristics of the Jack-tar. It is natural for man to rejoice in sunshine. His sympathy with cats in this respect is profound and universal. Not less deep and wide is his discord with the moles and bats. Nevertheless, there was scarcely a man on board of that ship on the evening in question who vouchsafed even a passing glance at a sunset which was marked by unwonted splendour. The vessel slowly rose and sank on a scarce perceptible ocean-swell in the centre of a great circular field of liquid glass, on whose undulations the sun gleamed in dazzling flashes, and in whose depths were reflected the fantastic forms, snowy lights, and pearly shadows of cloudland. In ordinary circumstances such an evening might have raised the thoughts of ordinary men to their Creator, but the circumstances of the men on board of that vessel were not ordinary—very much the reverse. "No, Bill McCoy," muttered one of the sailors, who sat on the breach of a gun near the forecastle, "I've bin flogged twice for merely growlin', which is an Englishman's birthright, an' I won't stand it no longer. A pretty pass things has come to when a man mayn't growl without tastin' the cat; but if Captain Bligh won't let me growl, I'll treat him to a roar that'll make him cock his ears an' wink six times without speakin'." The sailor who said this, Matthew Quintal by name, was a short, thick-set young man of twenty-one or thereabouts, with a forbidding aspect and a savage expression of face, which was intensified at the moment by thoughts of recent wrongs. Bill McCoy, to whom he said it, was much the same in size and appearance, but a few years older, and with a cynical expression of countenance. "Whether you growl or roar, Matt," said McCoy, with a low-toned laugh, "I'd advise you to do it in the minor key, else the Captain will give you another taste of the cat. He's awful savage just now. You should have heard him abusin' the officers this afternoon about his cocoa-nuts." "So I should,"
returned Quintal. "As ill luck would have it, I was below at the time. They say he was pretty hard on Mr Christian." "Hard on him! I should think he was," rejoined McCoy. "Why, if Mr Christian had been one of the worst men in the ship instead of the best officer, the Cap'n could not have abused him worse.

Dangerous Voyage of Captain Bligh, in an Open Boat, Over 1200 Leagues of the Ocean, in the Year 1789

The author recounts her journey to Pitcairn Island--home to thirty-eight descendants of the Bounty mutineers--detailing how this island paradise has become a prison to its inhabitants

Captain Bligh and Mr. Christian

This epic drama follows Fletcher Christian and his mutineers' and Captain Bligh's remarkable 3,600-mile voyage in an open launch.

Pearl S Buck & Captain Bligh and Mr. Christian

*Includes pictures *Includes accounts of the mutiny by some of the crew members *Includes a bibliography for further reading *Includes a table of contents "On the Twenty Eight of April at day break the Captain and me were surprised by Mr. Christian, Stewart Young Haywood and the Master at Arms, with twenty one people. Christian and the Master at Arms went into Mr. Bligh's Cabin and tied his hands behind him. Two men came into my Cabin, with muskets and
Bayonets, told me if I spoke, that I was a dead man and that Mr. Christian had taken the Ship and that they was to put us onshore upon one of the Friendly Isles." - John Fryer, Master on the Bounty

The Mutiny on the Bounty is one of those great stories in history that most people have heard of but few people know much about. In fact, those who think they know what happened are likely to have formed their opinions from what they saw on a movie screen than what they read in a book. Fortunately, the true story itself is every bit as exciting as anything Hollywood could dream up. In April 1789, the HMS Bounty was conducting operations in the Pacific when about half of the crew put in action a plot to take control of the ship from its captain, William Bligh. Along with Bligh, most of the rest of the crew that remained loyal to him were cast adrift while the Bounty sailed off. The mutineers sailed to Pitcairn Island, and they scattered on that island and in Tahiti before scuttling the Bounty itself, but in the meantime, Bligh and his loyal crew were managing to successfully travel over 3,000 miles and reach the Dutch East Indies. Eventually, Bligh was able to make it back to report the mutiny in 1790, and the Royal Navy sent another ship, the Pandora, to go find and arrest the mutineers. The Pandora eventually nabbed 14 of the mutineers, but as if all of that wasn't enough, it ran aground against the Great Barrier Reef, resulting in the deaths of 4 mutineers and dozens of crew. In the end, three of the mutineers were executed, and several were acquitted or pardoned, but the story became such a part of popular lore in Britain that it has been commemorated and depicted in various ways ever since. Of course, the mutiny on the Bounty has been made into several films starring Hollywood legends like Marlon Brando, Clark Gable, and Errol Flynn, and those movies often worked off one of the several novels written about the mutiny. The Mutiny on the Bounty tells the story of the most notorious mutiny in British history. Along with pictures of important people, places, and events, you will learn about the mutiny on the Bounty like never before, in no time at all.

Bounty Trilogy

Fletcher Christian, master's mate on HMS Bounty prepares to seize control of a ship torn apart by the sadism of her captain

Mutiny in the "Bounty" and Story of the Pitcairn Islanders

James Norman Hall (22 April 1887 - 5 July 1951) was an American author best known for the novel Mutiny on the Bounty with co-author Charles Nordhoff. Charles Bernard Nordhoff (February 1, 1887 - April 10, 1947) was an English-born American novelist and traveler. Mutiny on the Bounty is the title of the 1932 novel by Charles Nordhoff and James Norman Hall, based on the mutiny against Lieutenant William Bligh, commanding officer of the Bounty in 1789. It has been made into several films and a musical. It was the first of what became "The Bounty Trilogy," which continues with Men Against the Sea, and concludes with Pitcairn's Island. In this book: The Bounty Trilogy Comprising the Three Volumes: * Mutiny on the Bounty (1932) * Men Against the Sea (1933) * Pitcairn's Island (1934)

A n Answer to certain assertions contained in the appendix [to a pamphlet by E. Christian] entitled: Minutes of the proceedings on the Court Martial held August 12th 1792 on ten persons charged with mutiny on board His Majesty's Ship the Bounty
Winston & Clementine: The Triumphs & Tragedies of the Churchills

The bestselling author of Bred to Win and Born with the Century thrusts Bounty mutiny leader Fletcher Christian into a rousing and exhilarating tale of high adventure, romance, and treachery at sea. On April 28, 1789, Fletcher Christian led a mutiny aboard HMS BOUNTY and forced Capt. William Bligh and eighteen men overboard. History tells us that the mutineers settled on Pitcairn Island in the South Pacific where their idyll came to a violent end in a native uprising. But there are numerous historical incidents suggesting that Christian was not killed and managed to escape. In Kinsolving's novel, Christian does escape, and subsequently frees a beautiful young Englishwoman, Daphne, from debauched privateers. Together they reach a deserted island where they fall deeply in love - a love that sustains them both through the worst of times that follow.

Bligh

The Bounty Mutiny

A Voyage to the South Sea

The Wyeth edition of the three tales of the Bounty.
The Mutiny on the Bounty

The story of Fletcher Christian, sailor, adventurer and mutineer of the HMS Bounty. From New Zealand's master historical novelist comes an enthralling maritime saga of the most notorious and far-reaching rebellion in naval history, and the relationship between Englishman Fletcher Christian and Isabella, his Tahitian lover. On 28 April 1789 Fletcher and his followers take control of HMAV Bounty and set commander William Bligh adrift in the ship's launch. What follows is a story brimming with conflict as Fletcher, his fellow-mutineers and their Tahitian women seek sanctuary from the wrath of the Royal Navy, then attempt to build a new society on remote Pitcairn Island. But their attempts are doomed, as envy, lust and racism destroy the Utopia that Fletcher and Isabella dreamed of. This is historical fiction at its finest.

Mutiny on the Bounty

Captain Bligh and the mutiny on the Bounty have become proverbial in their capacity to evoke the extravagant and violent abuse of power. But William Bligh was one of the least violent disciplinarians in the British navy. It is this paradox which inspired Greg Dening to ask why the mutiny took place. His book explores the theatrical nature of what was enacted in the power-play on deck, on the beaches at Tahiti and in the murderous settlement at Pitcairn, on the altar stones and temples of sacrifice, and on the catheads from which men were hanged. Part of the

key lies in the curious puzzle of Mr Bligh's bad language.

The Island, Or Christian and His Comrades

Fresh Light on Bligh

Biografi over William Bligh (1754-1817), som især er kendt fra mytteriet på Bounty, men som også var med Nelson under Københavns bombardement i 1801

The Lonely Island the Refuge of the Mutineers

A Voyage to the South Sea, undertaken by command of his majesty, for the purpose of conveying the bread-fruit tree to the west indies, in his majesty's ship the Bounty, commanded by Lieutenant William Bligh. Including an account of the mutiny on board the said ship, and the subsequent voyage of part of the crew, in the ship's boat, from Tofoa, one of the Friendly Islands, to Timor, a Dutch settlement in the East Indies.

The Bounty Trilogy

After the mutiny on the Bounty on 28 April 1789, led by Fletcher Christian, Captain William Bligh and 18 others were forced onto a 7-metre-long open boat and cast adrift. It was the beginning of a 47-day, 6700-kilometre journey from Tofua (a volcanic island in the Tonga group) to Timor. On
this amazing voyage of survival, Bligh wrote daily entries in a small water-stained notebook and a selection of facsimile pages from this notebook is the foundation of In Bligh's Hand: Surviving the Mutiny on the Bounty. All but one of the men survived to reach Timor. In Bligh's Hand gives readers an insight into the character of William Bligh, the man who saved his men's lives through his iron will and stubborn adherence to a relentless regime of rationing and navigational calculations that kept the launch on course.

The Bounty Mutiny

Mutiny on the Bounty

The mutiny on H M S Bounty, in the South Pacific on 28 April 1789, is one of history's truly great stories - a tale of human drama, intrigue and adventure of the highest order - and in the hands of Peter FitzSimons it comes to life as never before. Commissioned by the Royal Navy to collect breadfruit plants from Tahiti and take them to the West Indies, the Bounty's crew found themselves in a tropical paradise. Five months later, they did not want to leave. Under the leadership of Fletcher Christian most of the crew mutinied soon after sailing from Tahiti, setting Captain William Bligh and 18 loyal crewmen adrift in a small open boat. In one of history's great feats of seamanship, Bligh navigated this tiny vessel for 3618 nautical miles to Timor. Fletcher Christian and the mutineers sailed back to Tahiti, where most remained and were later tried for mutiny. But Christian, along with eight fellow mutineers and some Tahitian men and women, sailed off into the unknown, eventually discovering the isolated Pitcairn Island - at the time not
even marked on British maps - and settling there. This astonishing story is historical adventure
at its very best, encompassing the mutiny, Bligh's monumental achievement in navigating to
safety, and Fletcher Christian and the mutineers' own epic journey from the sensual paradise of
Tahiti to the outpost of Pitcairn Island. The mutineers' descendants live on Pitcairn to this day,
amid swirling stories and rumours of past sexual transgressions and present-day
repercussions. Mutiny on the Bounty is a sprawling, dramatic tale of intrigue, bravery and sheer
boldness, told with the accuracy of historical detail and total command of story that are Peter
FitzSimons' trademarks.

Captain Bligh and Mr. Christian

In Bligh, the story of the most notorious of all Pacific explorers is told through a new lens as a
significant episode in the history of the world, not simply of the West. Award-winning
anthropologist Anne Salmond recounts the triumphs and disasters of William Bligh's life and
career in a riveting narrative that for the first time portrays the Pacific islanders as key players.
From 1777, Salmond charts Bligh's three Pacific voyages - with Captain James Cook in the
Resolution, on board the Bounty, and as commander of the Providence. Salmond offers new
insights into the mutiny aboard the Bounty - and on Bligh's extraordinary 3000-mile journey
across the Pacific in a small boat - through new revelations from unguarded letters between him
and his wife Betsy. We learn of their passionate relationship, and her unstinting loyalty
throughout the trials of his turbulent career and his fight to clear his name. This beautifully told
story reveals Bligh as an important ethnographer, adding to the paradoxical legacy of the famed
seaman. For the first time, we hear how Bligh and his men were changed by their experiences in
the South Seas, and how in turn they changed that island world forever. 'Remarkable . . . The
mutiny has inspired some marvellous books, of which this is possibly the finest.' --Jim Eagles, New Zealand Herald

The Mutiny on the Bounty

At dawn on April 28, 1789, Captain William Bligh and eighteen men from HMS Bounty were herded onto a twenty-three-foot launch and abandoned in the middle of the Pacific Ocean. Thus began their extraordinary journey to Java. Covering 4,162 miles, the small boat was battered by continuous storms, and the men on board suffered crippling illness, near starvation, and attacks by islanders. The journey was one of the greatest achievements in the history of European seafaring and a personal triumph for a man who has been misjudged by history. Captain Bligh's Portable Nightmare reveals Bligh's great mapmaking skills, used to particular effect while he was exploring with Captain Cook. We discover his guilt over Cook's death at Kealakekua Bay. We learn of the failure of the Bounty expedition and the myths that surround the mutiny led by Lieutenant Fletcher Christian, the trials and retributions that followed Bligh's return to England, his successes as a navigator and as a vice admiral fighting next to Nelson at the Battle of Copenhagen. Combining extensive research with dazzling storytelling, John Toohey tells a gripping tale of seafaring, exploration, and mutiny on the high seas, while also dismissing the black legend of the cruel and foulmouthed Captain William Bligh and reinstating him not just as a man of his times but as a true hero.
Captain Bligh and Mr Christian

"[Hough's] thorough and lively biography . . . interprets the life with sympathy and skill. From first page to last, Hough leaves no doubt that he is telling the story not merely of a great sailor but also of a great man."--Jonathan Yardley, Washington Post Book World

Mutiny on the Bounty

The mutiny on Bounty on 28 April 1789 was the revolt of one man against another, Fletcher Christian against William Bligh. On that fateful day two friends became mortal enemies in a mighty clash of wills. In Fragile Paradise, the great-great-great-great-grandson of mutineer Fletcher Christian brings to life a fascinating and complex character that history has portrayed as both a hero and a villain. Glynn Christian shares the thrill of discovery as he follows the footsteps of his famous ancestor through family papers, contemporary accounts, and ultimately, on his own sailing expedition to Pitcairn Island where he finally solves the mystery of Fletcher Christian's death.

Mister Christian

Who has not heard of the mutiny on the Bounty? For two hundred years this event has fired the imagination of millions of people, countless books have been written on it, and five motion pictures—so far—dramitized it on the screen. This book is unique in the literature on the mutiny and is the first companion volume to the story. The first part, the Bounty Chronicle, gives a
panoramic, yet detailed, month-by-month account of the events, starting before the Bounty’s departure and ending with Fletcher Christian’s death on Pitcairn Island. It even chronicles Captain Bligh’s second breadfruit expedition of which so many people are unaware. The second part of the book, the Bounty Encyclopedia, is full of all the exciting and fascinating details surrounding this great story.

Pitcairn's Island

A trip across the Pacific turns into a life or death scenario when the crew of the HMS Bounty stages a revolt against their commander. The Bounty Mutiny tells the controversial story of the mutineers and the acting lieutenant who sparked a movement. Commanding Lieutenant William Bligh was instructed to use the HMS Bounty to transport breadfruit plants to the West Indies. He worked alongside skilled colleague Fletcher Christian, who was selected to be acting lieutenant. During their time at sea, the crew experienced many challenges with complaints of abuse and tyranny at the hands of Bligh. This eventually leads to a mutiny, in which Christian and the crew take control of the vessel. This harrowing tale is one of the most adapted events of all-time. Over the past century, it has been interpreted across multiple mediums including five feature films starring George Cross, Errol Flynn, Clark Gable, Marlon Brando and Anthony Hopkins. It’s an enduring story that continues to fascinate and provoke the masses. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Bounty Mutiny is both modern and readable.

Captain Bligh & Mr. Christian
Mr. Christian!

An account of the tragic voyage of the British ship to the island of Tahiti.

Fragile Paradise

An action-packed fictional telling of the events on the HMS Bounty. Fourteen-year-old John Jacob Turnstile has gotten into trouble with the police on one too many occasions and is on his way to prison when an offer is put to him - a ship has been refitted over the last few months and is about to set sail with an important mission. The boy who was expected to serve as the captain’s personal valet has been injured and a replacement must be found immediately. The deal is struck and Turnstile finds himself onboard, meeting the captain, just as the ship sets sail. The ship is the HMS Bounty, the captain is William Bligh, and their destination is Tahiti. Mutiny on the Bounty is the first novel to explore all the events relating to the Bounty’s voyage, from their long journey across the ocean to their adventures on the island of Tahiti and the subsequent forty-eight-day expedition towards Timor. A vivid recreation of the famous mutiny, the story is packed with humour, violence, and historical detail, presenting a very different portrait of Captain Bligh and Mr. Christian than has been shown before. From the Hardcover edition.

Captain Bligh's Portable Nightmare
When Captain Samuel Wallis became the first European to land at Tahiti in June 1767, he left not only a British flag on shore but also three guinea hens, a pair of turkeys, a pregnant cat, and a garden planted with peas for the chiefess Purea. Thereafter, a succession of European captains, missionaries, and others planted seeds and introduced livestock from around the world. In turn, the islanders traded away great quantities of important island resources, including valuable and spiritually significant plants and animals. What did these exchanges mean? What was their impact? The answers are often unexpected. They also reveal the ways islanders retained control over their societies and landscapes in an era of increasing European intervention. Trading Nature explores—from both the European and Tahitian perspective—the effects of "ecological exchange" on one island from the mid-eighteenth century to the present day. Through a series of dramatic episodes, Trading Nature uncovers the potency of trading in nature. In the interweavings of chiefly power, ordinary islanders, the ambitions of outsiders, transplanted species, and existing ecologies, the book uncovers the cultural and ecological impacts of cross-cultural exchange. Evidence of these transactions has been found in a rich variety of voyage journals, missionary diaries, Tahitian accounts, colonial records, travelers’ tales, and a range of visual and material sources. The story progresses from the first trades on Tahiti’s shores for provisions for British and French ships to the contrasting histories of cattle in Tahiti and Hawai‘i. Two key exportations of species are analyzed: the great breadfruit transplantation project that linked Britain to Tahiti and the Caribbean and the politically volatile trade in salt-pork that ran between Tahiti and the Australian colonies in the nineteenth century. In each case, the author explores the long-term impacts of the exchanges on modern Tahiti. Trading Nature is a finely researched and entertaining work that will find a ready audience among those with an
interest in the Pacific, ecological history, and the startling consequences of entangling people, plants, and animals on island shores.

Trading Nature

Beyond the Bounty

The names William Bligh, Fletcher Christian, and the Bounty have excited the popular imagination for more than two hundred years. The story of this famous mutiny has many beginnings and many endings but they all intersect on an April morning in 1789 near the island known today as Tonga. That morning, William Bligh and eighteen surly seamen were expelled from the Bounty and began what would be the greatest open-boat voyage in history, sailing some 4,000 miles to safety in Timor. The mutineers led by Fletcher Christian sailed off into a mystery that has never been entirely resolved. While the full story of what drove the men to revolt or what really transpired during the struggle may never be known, Penguin Classics has brought together for the first time in one volume all the relevant texts and documents related to a drama that has fascinated generations. Here is the full text of Bligh's Narrative of the Mutiny, the minutes of the court proceedings gathered by Edward Christian in an effort to clear his brother's name, and the highly polemical correspondence between Bligh and Christian—all amplified by Robert Madison's illuminating Introduction and rich selection of subsequent Bounty narratives. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics
represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Captain James Cook

An account of the events surrounding the conflict aboard the HMS Bounty focuses on the court-martial of its ten mutineers, citing the breakdown and exile of Fletcher Christian and Lieutenant Bligh's navigation talents.
