The Great Gatsby Questions And Answers Chapter 2

Anthem

Named a best book of the year by Entertainment Weekly, Time, and The Chicago Tribune, and named a notable book by The New York Times Book Review and The Washington Post "Remarkable . . . With this book (Wolitzer) has surpassed herself." The New York Times Book Review "A victory . . . The Interaternales secures Wolitzer's place among the best novelists of her generation. . . . She's every bit as literary as Franzen or Eugenides. But the very human moments in her work hit you harder than the big ideas. This isn't women's fiction. It's everyone's."-Entertainment Weekly (A) From Meg Wolitzer, the New York Times best-selling author of The Female Persuasion, a novel that has been called "genius" (The Chicago Tribune), "wonderful" (Vanity Fair), "ambitious" (San Francisco Chronicle), and "a page-turner" (Cosmopolitan). The summer that Nixon resigns, six teenagers at a summer camp for the arts become inseparable. Decades later the bond remains powerful, but so much else has changed. In The Interaternales, Wolitzer follows these characters from the height of youth through middle age, as their talents, fortunes, and degrees of satisfaction diverge. The kind of creativity that is rewarded at age fifteen is not always enough to propel someone through life at age thirty; not everyone can sustain, in adulthood, what seemed so special in adolescence. Jules Jacobson, an aspiring comic actress, eventually resigns herself to a more practical occupation and lifestyle. Her friend Jonah, a gifted but indolent young man, studies playing the guitar while becoming an engineer. But Ethan and Asa, Jules's non-married best friends, become shockingly successful—true to their initial artistic dreams, with the wealth and access that allow those dreams to keep expanding. The friendships endure and even prosper, but also underscore the differences in their fates, in what their talents have become and the shapes their lives have taken. In The Interaternales, a vividly imagined story, Wolitzer brings together complex characters who come together and apart in a changing New York City. The Interaternales explores the meaning of talent; the nature of envy; the roles of class, art, money, and power; and how all of it can shift and tilt precipitously over the course of a friendship and a life.

The Crucible

The original CliffsNotes study guides offer a look into key elements and ideas within classic works of literature. The latest generation of titles in this series features fresh content that includes page-turner.com and visual elements that complement the familiar format. CliffsNotes on The Great Gatsby explores F. Scott Fitzgerald's novel of triumph, tragedy, and a classic love triangle in the 1920s. Following the story of a young man floundering in the wake of destruction he witnessed firsthand, Nick delays his return home, hoping to escape the questions he cannot answer about the horrors of war. Instead, he embarks on a transcontinental redemptive journey that takes him from a whirlwind Paris romance-doomed from the very beginning-to the dizzying frenzy of New Orleans, rife with its own flavor of debauchery and violence. An epic portrait of a truly singular era and a sweeping, romantic story of self-discovery, this rich and imaginative novel remains powerful, but so much else has changed. In The Interaternales, Wolitzer follows these characters from the height of youth through middle age, as their talents, fortunes, and degrees of satisfaction diverge. The kind of creativity that is rewarded at age fifteen is not always enough to propel someone through life at age thirty; not everyone can sustain, in adulthood, what seemed so special in adolescence. It includes points for discussion, suggestions for further study and an annotated guide to relevant reading.
The Great Gatsby

This Side of Paradise is the debut novel by F. Scott Fitzgerald, published in 1920. The book examines the lives and morality of post-World War I youth. Its protagonist Amory Blaine is an attractive student at Princeton University who dabbles in literature. The novel explores the theme of love warped by greed and status seeking, and takes its title from a line of Rupert Brooke's poem Tiare Tahiti. The novel famously helped F. Scott Fitzgerald gain Zelda Sayre's hand in marriage; its publication was her condition of acceptance.

Each chapter is individually summarized and analyzed, and has study questions and answers.

The Great Gatsby: A Graphic Novel Adaptation

The Great Gatsby is a 1925 novel written by American author F. Scott Fitzgerald that follows a cast of characters living in the fictional town of West and East Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious millionaire Jay Gatsby and his passionate and obsession for the beautiful former debutante Daisy Buchanan. The Great Gatsby explores themes of decadence, idealism, resistance to change, social upheaval, and excess, creating a portrait of the Jazz Age or the Roaring Twenties that has been described as a cautionary tale regarding the American Dream. Set on the prosperous Long Island of 1922, The Great Gatsby provides a critical social history of America during the Roaring Twenties within its fictional narrative. That era, known for profound economic prosperity, the development of jazz music, flapper culture, new technologies in communication (motion pictures, broadcast radio, recorded music) forging a genuine mass culture; and bootlegging, along with other criminal activity, is plausibly depicted in Fitzgerald's novel. Fitzgerald uses many of the societal developments of the 1920s that were to build Gatsby's stories from many of the simple details like automobiles to broader themes like Fitzgerald's discreet allusions to the organized crime culture which was the source of Gatsby's fortune. Fitzgerald depicts the garish society of the Roaring Twenties by placing the book's plotline within the historical context of the era.

The Great Gatsby Comprehension Assessment

"Can't relive the past? Why, of course you can!"—Jay Gatsby. F. Scott Fitzgerald's The Great Gatsby is a testament to the 1920's live for today, reckless attitude. Reader's Guide to The Great Gatsby

The astonishing novel Brave New World, originally published in 1932, presents Aldous Huxley's vision of the future -- of a world utterly transformed. Through the most efficient scientific and psychological engineering, people are genetically designed to be passive and therefore consistently useful to the ruling class. This powerful work of speculative fiction sheds a blinding critical light on the present and is considered to be Aldous Huxley's most enduring masterpiece. The nonfiction work Brave New World Revisited, first published in 1958, is a fascinating work in which Huxley uses his tremendous knowledge of human relations to compare the modern-day world with his prophetic fantasy envisioned in Brave New World, including the threats to humanity, such as overpopulation, propaganda, and chemical persuasion.

A Lesson Before Dying

The Great Gatsby Vocabulary Activities

The "Fresh Air" book critic investigates the enduring power of The Great Gatsby -- "The great American Novel we all think we've read, but really haven't." Conceived nearly a century ago by a man who died believing himself a failure, it's now a revered classic and a rite of passage in the reading lives of millions. But how well do we really know the Great Gatsby? As Maureen Corrigan, Gatsby lover extraordinairre, points out, while Fitzgerald's masterpiece may be one of the most popular novels in America, many of us first read it when we were too young to fully comprehend its power. Offering a fresh perspective on what makes Gatsby great--and utterly unusual--Do We Read On takes us into archives, high school classrooms, and even out onto the Long Island Sound to explore the novel's hidden depths, a journey whose revelations include Gatsby's surprising debt to hard-boiled crime fiction, its rocky path to recognition as a "classic," and its profound commentaries on the national themes of race, class, and gender. With rigor, wit, and infectious enthusiasm, Corrigan inspires us to re-experience the great American novel and cuts to the heart of why we are, as a culture, "born back ceaselessly" into its thrall. Along the way, she spins a new and fascinating story of her own.

The Great Gatsby

A sumptuously illustrated adaptation casts the powerful imagery of F. Scott Fitzgerald's great American novel in a vivid new format. From the green light across the bay to the billboard with spectacled eyes, F. Scott Fitzgerald's 1925 American masterpiece roars to life in K. Woodman-Maynard's exquisite graphic novel---the first of its kind in the genre. Painted in lush watercolors, the inventive interpretation emphasizes both the extravagance and mystery of the characters, as well as the fluidity of Nick Carraway's unreliable narrative. Readers can follow the plot through the illustrations, and imagery, and metaphors are taken to literal, and often whimsical, extremes, such as when a beautiful partygoer blooms into an orchid and Daisy Buchanan pushes Gatsby across the sky on a cloud. This faithful yet modern adaptation will appeal to fans with deep knowledge of the classic, while the graphic novel format makes it an ideal teaching tool to engage students. With its timeless critique of class, power, and obsession, The Great Gatsby Graphic Novel captures the energy of an era and the enduring resonance of one of the world's most beloved books.

The Great Gatsby (F. Scott Fitzgerald)

For generations of enthralled readers, the mysterious millionaire Jay Gatsby has come to embody all the glamour and decadence of the Roaring Twenties. To F. Scott Fitzgerald's bemused narrator, Nick Carraway, Gatsby appears to have emerged out of nowhere, evading questions about his murky past and throwing dazzling parties at his luxurious mansion. Nick finds something both appalling and appealing in the intensity of his new neighbor's ambition, and his fascination grows when he discovers that Gatsby is obsessed by a long-lost love, Daisy Buchanan. But Daisy and her wealthy husband are cynical and careless people, and as Gatsby's dream collides with reality, Nick is witness to the violence and heartache of the Great Gatsby. The Great Gatsby's melancholy story is a tragic tale of the rise and fall, and perseverance of mankind. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.

The Great Gatsby Leveled Comprehension Questions

Study Guide of F. Scott Fitzgerald's the Great Gatsby: Chapter Questions, Vocabulary, and Answer Keys

A young southern woman is bored with her unchanging environment, and much to her friends’ chagrin—gets engaged to a northern man. After
disregarding their concerns, she travels north during the winter to visit her fiancé's home town and meet his family, and comes to a major realization.

The Interestings

A haunting examination of groupthink and mass hysteria in a rural community The place is Salem, Massachusetts, in 1692, an enclave of rigid piety huddled on the edge of a wilderness. Its inhabitants believe unquestioningly in their own sanctity. But in Arthur Miller's edgy masterpiece, that very belief will have poisonous consequences when a vengeful teenager accuses a rival of witchcraft—and then when those accusations multiply to consume the entire village. First produced in 1953, at a time when America was convulsed by a new epidemic of witch-hunting, The Crucible brilliantly explores the threshold between individual guilt and mass hysteria, personal spite and collective evil. It is a play that is not only relentlessly suspenseful and vastly moving but that compels readers to fathom their hearts and consciences in ways that only the greatest theater ever can. "A drama of emotional power and impact" —New York Post

Study Guide to The Great Gatsby by F. Scott Fitzgerald

"Winter Dreams" is a short story by F. Scott Fitzgerald that first appeared in Metropolitan Magazine in December 1922, and was collected in All the Sad Young Men in 1926. It is considered one of Fitzgerald's finest stories and is frequently anthologized. In the Fitzgerald canon, it is considered to be in the "Gatsby-cluster," as many of its themes were later expanded upon in his famous novel The Great Gatsby in 1925.
